

# Can You Follow Directions?

If you do this correctly, you will change the words FRENCH WORKMAN into a related "punny" phrase.

- 1) Print the words FRENCH WORKMAN, leaving out the space.
- 2) Delete the middle letter.
- 3) Insert the word STAR just after the first letter.
- 4) Delete the consonant that comes first in the alphabet.
- 5) Change the last letter to the vowel "I".
- 6) Double the second vowel.
- 7) Move the first vowel to the left end of the row.
- 8) Switch the first and eighth consonants.
- 9) Add an S at the right end of the row.
- 10) Repeat Step 2.
- 11) Switch the second E with the second R.
- 12) Move the first consonant to a position between the last two vowels.
- 13) Insert a P just before each A.
- 14) Insert an L in the second position.
- 15) Repeat Step 2.
- 16) Delete the 12th and 13th letters.
